Progress to succeed...

School support

Our school suggests 3 kinds of support and assistance for pupils from the 4th school-year on:

- **Group support**, a group of 3 to 5 pupils, supervised by one teacher, in every possible branch. Meant for self-working but eager pupils to benefit from a safe educational setting (environment) in order to ask any question.
Aim: to keep pace all the year long. > Price: CHF 29.- per hour.
- **Semi-private support**, for 2 pupils at similar level.
Aim: to review a specific theme, to come back to level, and above all, to share a common motivation. > Price: CHF 42.- per hour.
- **Private support**, supervised by a specialized schoolmaster in an optional branch.
Aim: to completely resume a poorly or partially assimilated concept.
> Price: from CHF 68.- per hour.

School coaching

A specific coaching for any study level:

- **Coaching for pupils between the 5th and 6th degree (CYT)** assistance for a period of 15 weeks (3 weekly lessons) in order to prepare for the transition cycle.
Aim: to offer a personal working method for autonomy.
> Price: CHF 39.- per hour.
- **Coaching for pupils between the 7th and 9th degree** intended for teenagers (adolescent) disrupted by the school system. An intense follow-up (3 weekly courses) during 3 months.
Aim: To give the students back a personal meaning to their studies, while supervising them with method and organization. > Price: from CHF 42.- per hour.
- **Coaching for pupils having methodological problems**, a loss of motivation or learning difficulties.
Aim: to acquire an efficient and motivating working method thanks to an individual and structured support. > Price: from CHF 63.- per hour.

Exam Preparation

A revision module for every exam:

- **ECR CYT 6th AND 8th degree**, three courses on a half-day basis to restart and improve one's knowledge required at ECR.
Advantages: methodological support and brush-up as conceived by the Directorate-General of the compulsory education.
- **Passing exams from private to public.** During revision (2 hours a week). Three weeks before exams.
Advantages: deepening required themes and subjects, efficient strategic learning and time management.
- **Basic-check/Multi-check.** Modules in order to exercise logical, mathematical and French-language problems.
Advantages: little groups for a tailor-made demand, teacher's feed-back.
- **Secondary Study Certificate:** Subject's modules in April.
Advantages: tailor-made files depending on objectives at every option-level, revision in little groups, scenario to minimize stress and pressure, reporting to parents.
- **Revision Campus and leisure time at the mountains:**
One week module (5 days) associating revision targets (exam preparation, upgrades, methodology and organization) with open air activities (walking, VTT, skiing, various games).
Advantages: ideal framework, personal development.
Dates: February vacation, Easter and Mid-August.

Courses for apprentices

- **Permanent weekly courses of collective support** one branch a day.
Advantages: Benefit from a punctual support, asking questions, to obtain explanations on topics being treated on professional courses.
- **Methodological workshop** during three half-days.
Advantages: providing 1st degree students, efficient working strategies in order to live an apprenticeship without any hitch.
For the third degree, these courses are meant for the establishment of a revision plan, a stress control, and an effective mental approach of the final apprenticeship exams.

Gymnase Plus

Tailor-made support meant for all gymnasiums, any direction and branch.
Advantages: multiple-choice timetable and branches depending on needs and key deadlines: tests, exams, revisions etc.

Prices: • **Personal support**, pack de 5 cours: CHF 425.- ou de 10 cours: CHF 800.-

- **Group support** (2 - 4 participants at a same level). A 5 course packaging: CHF 240.- or 10 course packaging: CHF 420.-

Little Plus

Classes for little children, from 4 years up to 7 years, in order to facilitate access to school.

Aim: exercise imagination, creativity development; enriching knowledge about letters and figures, overwhelming and bridging delays.
> Prices: CHF 39.- / 2 hours.
